YMCA

Welcome

YMCA Black Country Group is a local YMCA charity which operates across the Black Country areas of Dudley, Sandwell, Walsall, Wolverhampton and into the Staffordshire border areas.

We are part of the English Federation of YMCAs and the worldwide YMCA Movement. YMCA is the largest and the oldest charity working with young people in the world. Across England there are 114 YMCAs, each one is a thriving and active community. A community that is transforming lives. We provide a wide array of community based activities and services to help meet local needs.

YMCA Small Street Centre is our community hub in the heart of Walsall, located at Small Street, Walsall WS1 3PR, 15 minutes walk from Walsall bus station. On-site facilities include conference rooms, office space and a day nursery.

Delegates can easily travel by train from Birmingham, Wolverhampton and further afield as we are a 15 minute walk from Walsall Bus Station and Train Station; we are easily accessible from the motorway network with J10 of the M6 nearby.

Get involved

There are many ways to get involved with your local YMCA, including:

► VOLUNTEER

Volunteering can open up areas in life which may lead to a sense of fulfilment and good citizenship. All our volunteers are given a full induction into the organisation, receive training as necessary, and be fully supported by a clear line management structure.

► DONATE

With a regular gift to YMCA you will always be there for young people in need. No matter how much you can donate, you will provide a safe place to stay, Health and Wellbeing support, advice and training to young people every day of the year, all across the Black Country.

► FUNDRAISING

Fundraise with the YMCA Black Country Group. You can get involved in one of our sponsored events, organise your own fundraising event or get together with people at your YMCA, church, school or place of work to raise funds.

To find out more information about how you can get involved, call **0121 524 1950** or email **info@ymcabc.org.uk**
